Dear Parent / Carer

Updates from Codsall High

Firstly, I wanted to say thank you to the vast majority of students who have adapted back to life in school as easily as they have. It was never going to be a straightforward process and I know that a number of students were really quite anxious, but with the support and guidance from our staff, I believe that we have made a really positive start.

As we look forward to the Summer term there are some changes that we are making based on the review of our return to school.

Form periods for Years 9, 10 and 11

On a Tuesday and a Thursday only, we will be reintroducing a form period for students in these year groups. This is for a variety of reasons but mainly we wanted to increase the amount of pastoral contact there is for our students with their form tutors.

This will mean some timing changes on a Tuesday and Thursday only;

- Year 10 form period begins at 8:35am
- Year 9 form period begins at 8:40am
- Year 11 form period begins at 8:45am

These staggers are to ensure there is still some phasing of entry into the school. Students should go directly to their form room via the nearest entrance, following the one-way system.

For the rest of the week students should follow the guidance that has been in place since our return to school.

School minibus times will change for all days (Monday-Friday) after Easter, times are detailed overleaf. Other transport times will remain the same.

School Field

We will also, weather permitting, be allowing the students to use the school fields at lunchtime only. This will be monitored on a daily basis and will be weather specific.

Students will still go to their designated areas at break time and to their designated lunch hall at lunchtime.

Testing and Positive Cases

Please continue to ensure that twice weekly Lateral Flow Tests are undertaken during the holiday. If there are any positive test results please ensure that you follow the usual guidelines and inform the school so that we can undertake contact tracing when appropriate. The link to report test results is located on the front page of the school website at www.cc-hs.com.

I hope that everyone has a happy and safe Easter. I look forward to seeing everyone in the new term.

Yours faithfully

Alun Harding
Executive Headteacher
