

November 2019

Dear Parent / Carer

At Codsall Community High School, we are committed to making sure that we look after your child's overall welfare. As well as supporting their academic progress, we are mindful of our duty to take care of their mental health and emotional wellbeing too. To help guide our efforts to support our students, the School is pursuing a national accreditation called the Wellbeing Award for Schools. This is provided in association with the National Children's Bureau.

To help us to evaluate our mental health and emotional wellbeing provision, please complete the online survey at <http://www.cc-hs.com/parentwellbeingevaluation>

As ever, thank you for your support.

Yours faithfully

L A Lewis
