Dear Parents / Carers

## Perton Middle School and Bilbrook CE Middle School Virtual Open Events

At this time of year we would normally be inviting you to one of our Open Evening events but, as we all know, this year is not a normal year.

Due to current restrictions and the inability to meet in large gatherings, we have created a welcome video for both schools that introduces our schools, outlines their visions, values, successes and the exciting curriculum offers they have.

Our results are consistently excellent placing us amongst the top performing schools in the county. However, school is about more than just exam results. It is about the experiences our young people have and the person they become over their time in both middle schools. We work incredibly hard to produce resilient, positive and well rounded members of society.

Both middle schools are federated with the High school, sharing staff and resources, providing another level of expert teaching to compliment the outstanding levels of teaching in both schools.

We currently have a waiting lists for a number of our Year groups and so I would urge parents to ensure that their applications are completed in advance of the deadline for Y5 applications of **15<sup>th</sup> January 2020**. Links to online applications can be accessed via our open event pages.

Open Event videos and the opportunity to submit further questions about either school will be available to access from **Saturday 7<sup>th</sup> November 2020 at 9am**.

Perton Middle School – visit [www.pertonmiddle.com](http://www.pertonmiddle.com)

I do hope you find this new way of doing things informative and engaging. We hope that at some point in the not too distant future we can start to welcome prospective parents and students to our school again so that you can see what an excellent school looks like when it's in operation.

Yours faithfully

Mr A Harding  
Executive Headteacher
