

Date: 7th July 2023

Dear Parent / Carer,

End of Year Arrangements for Year 9

During the last three days of this academic year there will be a change to the timetable for students in Year 9. This is so students can take part in "Sport and Enterprise Day" and give more time for their Accelerated Option (9K) which they will complete in Year 10.

The timetable will be:

Days	Periods	Lessons
Friday 21st July	1	Non-Accelerated Option (9L)
	2	Accelerated Option (9K)
	3	Accelerated Option (9K)
	4	Maths (9A) or English (9B)
	5	Accelerated Option (9K)
Monday 24th July	1 to 5	Sports and Enterprise Day
Tuesday 25th July	1	Non-Accelerated Option (9L)
	2	Accelerated Option (9K)
	3	Tutor Lesson
	4	Whole School Assembly
		Buses home from 13:05

I hope you and child welcome these changes, which will help keep the focus on learning right up until the end of term, help students make up for any lost learning time and ensure all students are in a strong position, with their Accelerated Option, when they start Year 10 in September.

These changes and the reasons for them will be explained to your child by their Form Tutor next week. If you have any questions after that please email customer care@cchs.sslp.uk

Yours faithfully,

Mr Robinson
Deputy Headteacher

Mr Bairdbridge
Head of Year 9
