Dear Parents/Carers

This Christmas Codsall Community High School aim to make a difference to those in need in our local community. Food Banks are national charity organisations. They collect and deliver food and essential items for people and families who are unable to provide for themselves for various reasons. This year we aim to work together with 'The Well Foodbank' in Wolverhampton to support:

- People on low incomes or find themselves in sudden crisis
- Families with babies and young children
- Women fleeing domestic violence
- Young people leaving care, with no family support
- Older people, isolated & struggling on low pensions
- Those who have been homeless, moving into accommodation
- Those impacted by benefit delays & mix ups
- Those discharged home from hospital

'The Well Foodbank' Wolverhampton currently help people in our city and those in our closer community so every donation can really make a difference.

This year we have launched a House Competition; 'The Reverse Advent Calendar' We kindly ask for every student to donate at least one item between the dates of Thursday 16th November – Thursday 15th December 2023 and the House who collect the most items will be rewarded.
