

Dear Year 10 Student,

Re: GCSE Results Day

I am writing to confirm arrangements for this year's GCSE Results Day, which will take place on Thursday 20th August.

Due to the restrictions and to ensure the safety of students and their families, this year students will **not** come into school to receive their accelerated result(s), but will receive them through EduLink, the school app.

You can access EduLink using your mobile phone, if you have downloaded the app, or by visiting www.cc-hs.com/app and logging on with your school username and password.

You should check you can log onto EduLink when you receive this letter and email helpdesk@cc-hs.com if you are having difficulties.

Examination results for GCSE, BTEC Firsts and Cambridge Nationals will be available to view on EduLink from **9am on Thursday 20th August** by clicking the "Exams" icon and then "Exam Results".

They will also be posted to your home address on Thursday 20th August and should arrive during the week beginning Monday 24th August.

Mrs Page will also be available on 01902 907567 or options@ch-pb.com to respond to queries relating to examination results. Further details on how these were calculated by the exam boards and further information can be found at www.cc-hs.com/examguide.

Should you have any other questions then please contact me on options@ch-pb.com.

Yours faithfully,

Mr Robinson
Deputy Headteacher

Codsall Community High School

Elliotts Lane, Codsall, Staffordshire WV8 1PQ
