

Date: 12th January 2024

Dear Parent / Carer,

A Level Computer Science

After reviewing the options forms submitted by students, and carrying out student interviews, we are delighted to confirm we have sufficient interest to be able to offer A Level Computer Science starting in September 2024.

If your child would like to apply to study A Level Computer Science at Codsall Sixth Form please contact Mrs Mayor using the sixth form email address (sixth@sslp.uk) before the end of January.

Mr Hayward will be running a Taster Session for A Level Computer Science during the Sixth Form Taster Day in February and full details of the course will be provided then.

If you or your child has any questions about A Level Computer Science before then please ask them to speak to Mr Hayward or contact me using the main school email address (customercare@cchs.sslp.uk).

Yours faithfully,

Mr Robinson

Deputy Headteacher
