Dear Year 13 Student,

I hope you are all well and keeping in touch with all your friends. It would have been great to have been able to stage our usual Leavers' Assembly at this time, but do not worry we will let you know when we are able to get you all together again.

I am sure you have been thinking ahead to starting university or apprenticeships and how your learning will evolve in the coming years. Your tutors have really enjoyed talking to you on the phone and I know many of you have been trying to keep academically active in these trying times.

Obviously, we will answer any questions we can however I have signposted some links for those of you who may need some extra support. If you have applied to university make sure you contact them directly for updates.

I would like to take this opportunity to thank all the students in Year 13 who have made the Sixth Form and school a better place to be. Your legacy will live on through the wonderful role models that you have been.

Finally, on behalf of the whole Sixth Form team, I wish all of you the very best for the future and would also like to thank parents and carers for all the support they have provided over the last two years.

Once again good luck, work hard and we look forward to seeing you when we come back together to celebrate the achievements of all our sixth formers.

Yours faithfully,

Emma Mayor
