

Dear Parent/Carer

The Bronze Duke of Edinburgh's Award

We are hosting an information evening about The Duke of Edinburgh's Award on Wednesday 6th December at 6.00pm. If your child is interested in completing the Bronze Award it is important for parents to attend this evening where you will receive lots of information about the award, what the award entails and what is expected of the students and the parents before they commit to registering for the award. The information evening is being held in the main hall of Codsall Community High School and will last for half an hour with time for questions afterwards.

As you may be aware the Duke of Edinburgh Award has been running for a number of years and is a highly successful programme of practical, cultural and adventurous activities. It is held in high regard by potential employers and the general public, there are many benefits in completing this award. This award shows future employers and colleges that your son/daughter can work in a team, show commitment and is willing to take part in additional activities to further achievements.

We do hope you are able to attend the evening; as stated before it is important you are aware of the expectations of students and parents before enrolling on the award.

There is more information available at <https://www.cc-hs.com/duke-of-edinburgh-award/>

If you require any further information, please contact Mrs Freeman dofe@cchs.ssip.uk

Yours faithfully

Mrs Freeman

School Librarian Co-ordinator and Duke of Edinburgh's Award Centre Manager
