

Dear Student

## School Synergy – Student Portal

We are currently in the process of changing over from the “EduLink” app that has been in use for several years to the newer website/app called “School Synergy”. You can now activate your student account and use it either through a web browser or by downloading the School Synergy app.

### Instructions

1. Go to <https://cchs.schoolsynergy.co.uk/>
2. Click on the “Microsoft” button.
3. Use your school email – your new school email is in the format [joebloggs16@student.sslp.uk](mailto:joebloggs16@student.sslp.uk)
4. You will then be taken to the Microsoft “South Staffordshire Learning Partnership” sign-in portal; your password will be the password you use to login to a computer at school.
5. You will then be asked to “Accept” in order to give Synergy permission to access your school account and sign-in.
6. You can download the “Synergy Student” app from the Apple/Google app store if you so wish (year 9, 10, 11 students will need to do this at home after school). You will need to click the “Microsoft” button on the app to login.
