Dear Parents

YEAR 11 PARENTS' EVENING: THURSDAY 22ND APRIL

We will hold the Year 11 Parents' Evening on Thursday 22nd April 2021 from 16:00-19:00; due to the ongoing Covid-19 restrictions, this will be conducted as an online event using video conferencing software. You will be able to make appointments with your child's individual subject teachers before the event. Attached to this letter are detailed instructions explaining how to book appointments and how to use the video conferencing software built into the EduLink app and EduLink website; the system is open to receive bookings now and we would encourage parents to do so at their earliest convenience.

Owing to the number of students each teacher teaches in year 11 and the anticipated high demand for appointments, we have restricted meetings to four minutes. In addition, there will be a one minute gap between each appointment to allow teachers and parents to prepare for their next meeting. At the point of booking, parents will be able to add questions or comments to the notes field if there are any specific concerns that need to be brought to the teacher's attention before the appointment.

Subject teachers will be able to discuss your child's strengths and weaknesses including their performance on the recent mock exams. Mock results will be issued to students after the Easter holidays and before the parents' evening takes place. Teachers will also discuss the action plan to address gaps in learning over the next few weeks. Teachers will not be able to discuss final grades to be awarded in the summer. The school will send further information to parents about the process of assessing students in the summer nearer to the time.

Yours faithfully

Mr P. Reid
