

## Alumni Back in School

Claire Weetman is now a student at Welbeck 6<sup>th</sup> Form Defence College

Claire came back into school in March to present an assembly to year 10 students about her journey through Codsall High and gaining a place at the prestigious Welbeck 6<sup>th</sup> Form Defence College, Loughborough. She discussed Engineering roles within the armed forces and in particular Women in engineering. For more information about Welbeck take a look at their site: <http://www.dsfc.ac.uk/>

Claire was the first winner of the “Jaguar Land Rover Award for Outstanding Achievement” she won the award for promoting women in science and engineering. This award is awarded as part of our “Business Class Partnership” with Jaguar Land Rover.

Alice Palant is presently on a Marketing Apprenticeship employed by City of Wolverhampton College. Alice and her colleagues were offering information from a stall at our careers.

Lee Sproson and James Davies came into school to take part in Speed information sessions, apprenticeships presentation and our annual careers fair. Both students went down the apprenticeships route to gain employment with UTC Aerospace.
