

Codsall Community High School

Per Ardua Ad Astra - Through Adversity to the Stars

Enrichment Programme

Autumn 2022

Introduction

Dear Students and Parents,

Enrichment

When we think back on our time at school, for most of us, what stands out are:

- The useful things we learnt,
- The lessons we enjoyed,
- The teachers and members of staff who helped us do well,
- The friends we made,
- The enrichment clubs and activities we took part in.

During the last two years, our school, like many others, was not able to offer the full range of enrichments due to the pandemic and this meant students were not able to take part in these valuable experiences.

This year our staff have returned to offering a wider range of enrichment clubs at lunchtime and after school and many students are taking part in these opportunities and enjoying the experience.

To join an enrichment club at lunchtime, after school or to book transport home to Perton for an enrichment club please visit www.cc-hs.com/nrich.

We look forward to seeing our students returning to taking part in enrichment this year with all the benefits they bring.

Mr. Robinson
Deputy Headteacher
